Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Gabriella*

Age: 20
Bra: 36D-cup
Height: 5'1"

We asked Gabriella what the funniest pickup line she's heard that worked on her. "A guy once said the first part of our date would be him spanking me with his dick." Gabriella also talks about her naughtiest fantasy. "I want to be kidnapped and held for a week by a hot guy and fucked really hard. I want him to fuck me so hard and fast that I can't help but squirt all over his big, fat cock."

Mercedes is a newcomer with a hot, young body. She likes adventure and adventurous sex. “I don’t really get asked out a lot,” she told us. “But my dream date would be something fun, like an amusement park. I’m pretty chill, though. We could go watch the sunset and wind up stargazing, or even a picnic can be fun if you’re with the right person. My dream would be for a guy to take me on a cruise. I would definitely try to fuck on the balcony.”

We asked Mercedes how she likes to masturbate. “I enjoy penetration more than clitoral stimulation, so I usually just fuck my pussy with a dildo. I can’t do it a ton because I live with my parents, and they can hear everything I do in my bedroom, and I tend to moan a lot when I cum. I can’t help it! I used to do it in the shower and blast music to cover it up, but my mom complained because my speaker was too loud.”

“Because of the whole ‘living with my parents’ thing, I can’t fuck at home. So, I tend to have a lot of public sex. I mean, how else could I make it work? I gave my first blowjob in the park behind my school. I remember the guy being more nervous than I was, but he obviously didn’t want me to stop. It was his first time getting one, too. He didn’t tell me when he started to finish. His cum ended up in my hair!”

She's a cum connoisseur.

"I like swallowing cum, but sometimes my body just won't let me. I can usually tell if a guy's jizz will taste good just by looking at him. If he's in shape and takes care of himself, then he will probably have a tasty load."

A woman reaches her sexual peak in her 40s, and these 24 moms, wives, and divorcees prove it. These are age-verified MILFs. No 20somethings pretending to be cougars. Addyson James really, truly loves jilling off for men like you. She said, “There is something undeniably erotic about knowing that others are witnessing my pleasure, their desires filled with the sight of me surrendering to my own sexual cravings.” Don’t worry about thinking otherwise–unassuming MILF Sophia West is acting like a slut. She told us, “I like to be treated like a woman. I want someone who will wine and dine me, then tie me up and treat me like a slut. I’m very cultured and classy while remaining a true slut at heart.”

"I am a MILF," Justine Jakobs told us. "Being a MILF does not mean you have to have kids. The definition of MILF has evolved since American Pie, and you can't tell me I'm wrong. Actually, tell me I'm wrong. I wish you would." Justine brings that fiesty attitude to her scene, sinking two fingers deep into her tight slit. Sierra Spunk told us, "While I much prefer interaction with a man, if the mood strikes, a girl's gotta do what a girl's gotta do." She has three kids with her hubby, who allows and supports her cumming on-camera for you. Summer Saint James is new to filming porn scenes, but she looks like a pro at masturbating.

In her long-awaited return, 41-year-old wife and mom Preston Lee shows off her big tits, big ass and sweet cunt. She said, "My husband likes when I dress a little slutty," so she wears a super-short, skin-tight and tit-revealing dress in her scene. When we say that these women are excited to get you off, we mean it. Elise London said, "I feel privileged to be part of somebody's sexual fantasy or sexual journey." She's a 40-year-old divorcee from the UK who now lives in Florida. Be sure to crank up the volume for her scene because her moans alone will make you bust.

Taylor Upton, 45, is a newcomer, and she's making quite the statement with her introduction. She's a bit shy while modeling different lingerie for you, but she opens up and cums hard after she fingers her tight, pink hole. G-cupper Lily Craven was intimidated when we reached out and asked to film her, but her friend, 80s pornstar Keli Richards, encouraged her to do it. We're thankful for Keli because Lily's scene is fuckin' hot. She locks eyes with the camera as her body quakes with an earth-shattering and juicy orgasm.

PENISGATE

In what might be the most Olympic use of the phrase "you've got to be kidding me," the World Anti-Doping Agency (WADA) reportedly investigated whether ski jumpers at the Milano Cortina 2026 Olympics were injecting their penises with hyaluronic acid, which, in case you're behind on your chemistry homework, is not banned in sport. Why? Because apparently, nothing says "athletic excellence" like experimenting on your nether regions for a shot at Olympic gold. The scandal, naturally, is called Penisgate. If the Watergate scandal taught us anything, it's that you can't always trust a Tricky Dick. The German tabloid Bild broke the story, probably because the Germans have a word for everything, including whatever this is. Here's how the penis injections supposedly work: When ski jumpers get their suits made, the International Ski and Snowboard Federation (FIS) uses a 3D scanner to measure their bodies, including, yes, their crotch height. This is apparently very scientific. If you somehow make your whole package larger, say, by sticking a needle filled with hyaluronic acid, you get measured as a larger person. That means you get a bigger suit, and as Associate Professor Dan Dwyer told The Guardian newspaper, a slightly larger ski suit means more surface area, which means more lift. That's right: we are literally talking about wiener-based aerodynamics. According to the scientific journal Frontiers, every 2 centimeters you can add to your suit's circumference reduces drag by 4% and increases lift by 5%. First chemistry, now we have to study aerodynamics? Basically, this means that if you can somehow convince the FIS you're packing an extra 2 centimeters, you could soar an extra 19 feet through the air. At this rate, it's only a matter of time before someone tries to sneak a garden hose down their pants. Witold Banka, the president of WADA, joked, "Ski jumping is very popular in Poland [his home country], so I promise you I'm going to look at it." And you know what? That is probably the best possible response, because nobody trains for years expecting to have to investigate Olympic penis inflation. Doctor Kamran Karim, who may or may not have drawn the short straw for medical interviews, explained that, sure, you can make things look a bit bigger with hyaluronic acid or paraffin. But it's not really a good idea, medically speaking, and comes with risks. That's right: scientifically, you might get a little visual boost, but you're also risking a situation that is definitely not covered by insurance. To get even more graphic, urological surgeon Professor Eric Chung warns that doing this wrong could lead to pain, disfigurement, infection, loss of feeling, or, in rare cases, gangrene, which is a fancy medical word for "your penis falls off." So, kids: don't try this at home. Or anywhere.

We're gonna go so much further with these!

Uhh... You sure that you're sized correctly?

SNOW BONE

In what might be the chilliest tale of bad luck, an Alberta man made headlines after a late-night fight ended with his dick stuck (yes, literally frozen) to a sidewalk outside of the East Village Pub & Eatery in Fort McMurray. According to eyewitnesses (and a viral video), the unnamed man was intoxicated and picking fights with other patrons. Eventually, the ruckus spilled outside, and fists were thrown. Unfortunately for our chilly Willy, his pants were as loose as he was, and they promptly fell down along with his boxers. A few punches later, he was facedown

This is Sophie's debut, and she was a bit nervous and quiet with our shutterbug. She told us that she's very shy, but our guy assured her that it's okay. You don't have to say much when you look as cute as a button, as she does. This teen looks great in her pink sundress and white, heeled sandals. She looks even better when she reveals her firm boobs and skinny dancer's body.

Sophie eventually opened up enough to our photographer to give you a little background on her. She has studied dance for as long as she can remember. She enjoys ballet and hip-hop dance. Her first boyfriend was a dancer, too, and they had a lot of fun together. “We lost our virginities to each other,” she told us. “It took a long time until we had sex again, but then we started doing it every day. Because we were both flexible and strong, we tried every position we could think of.”

Who's willing to help?

"I don't have a lot of experience with sex, but I want to try everything. The one thing I'm nervous about is swallowing cum. I've only ever had a guy cum in me while he was wearing a condom. I don't know how much or what to expect."

Roze looks young. She's heard it her whole life. But something changed when she was a teen, and now she gets much more attention from boys. "Something interesting about me is that my boobs practically grew overnight. I went from being flat-chested to busty very quickly. Some of my classmates even tried to say that I got a boob job, but I'm all natural. I got really fed up with that, so I let a popular boy feel my tits so he could see they were real. He told everyone."

"After that guy felt me up for the first time, I got insanely wet. I met up with him after school, and I slid his hand down into my underwear. He fingered me, and I came all over his fingers. We dated for a few months after that."

on the sidewalk, shaken up a little, but mostly okay. That is, until he tried to move. His sweaty hog landed right on a thick patch of ice, and anybody who has tried to stick their tongue to a frozen pole in the winter knows what that means. His dick was basically glued to the ground.
Emergency services were called to the scene, where paramedics reportedly fought back laughter as they gave the guy words of encouragement and some warm water to help release his little fella. All's well, though. The man didn't receive a concrete circumcision, and he didn't catch a case with the local cops. We're guessing everybody felt bad enough for him and didn't want to pile on.

Carnal CALAMATIES

We scoured the web to find the funniest true sexual mishap stories. Why? Well, it's always funnier when it happens to someone else. Here are our favorites, ranging from the unfortunate and hilarious to the cringy and … still fuckin' hilarious.

I tried to set the mood for my wife with smart lights and a playlist, but I must have had too much wine and slurred my command. Alexa misheard what I said and blasted bright LED disco lights and the kids song "Baby Shark" at full volume right at the crucial moment. My wife and I may never recover. She still sends me shark emojis to make fun of me.

I dated a very hot chick back in college. We had tons of stamina and could fuck for hours. One time, we decided to get spicy and look up the craziest position we

AJ Lee

Kosiv,
Ukraine

Job: Babysitter
Age: 21
Birthday: March 9
Height: 5'4"
Weight: 120 pounds

Bra Size: 32B
Panties: Thongs
Anal: I like it
BJs: Swallow
Masturbate: Of course

NaughtyMag.com

We knew we'd like AJ as soon as we met her. She has a sly smile and a beautiful body. During our interview with this professional babysitter, we asked her what her favorite position is. She responded, "Doggie, definitely. Because if I want to change it up, I can grab the guy's cock, redirect it, and slide him up my ass. That's always a fun surprise for guys. Anal has always been easy and fun for me. Plus, I can't get pregnant if the guy creampies my butt."

AJ also told us that she normally has dark hair, but she decided to try a new look after a recent breakup. “That guy was always telling me that I would look hot as a blonde. He would point out blonde girls when we were on dates and tell me that it would be hot if I dyed my hair. Anyway, guess who was cheating on me with a blonde? When I found out, I went and got the dye job and showed up at his apartment. He looked so happy until I told him to fuck off and never call me again.”

As our photographer was shooting these pictures, AJ flirted with him, saying things like, “Maybe I should take your pictures,” and, “Maybe we could make this a hardcore shoot.” Okay, that’s not exactly flirting. It’s more like asking for a fuck. Unfortunately for our camera guy, his wife is the one who does the makeup for our amateurs in Ukraine, and she was in the same room as AJ and our guy. What a damn shame. Talk about a lost opportunity.

Now, that's confidence.

"Ever since I became single, I've been putting myself out there more. If I think a guy's hot, I'll tell him. If I'm feeling horny and don't feel like charging my toy and masturbating, I'll go to the cafe down the street and try to find some dick."

Melia

Phoenix,

Job: Car detailer
Age: 22
Birthday: January 23
Height: 5'0"
Weight: 90 pounds

Bra Size: 24B
Panties: Thongs
Anal: Not a lot
BJs: Swallow
Masturbate: I'd rather fuck

NaughtyMag.com

Guys, take a moment and appreciate that this is Melia's first hardcore magazine spread. She'll soon be a household name (for porn fans, at least). Why? She's built for the industry. Sure, she's teeny tiny, and her mouth, pussy and ass are all vise-tight and don't look like they could fit a pencil, but you'd be wrong there. She can take a dick like the best of 'em, and she wants cock so bad, she'll do anything to get it.

You should know that Melia, inexperienced when it comes to on-camera fucking, is no stranger to wild sex. "My fiance and I met at a swingers party," she told us. "I was going down on the girl, and he was jacking off. He asked if he could fuck me from behind. I popped into doggie-style, which is my favorite, and he started gently stroking. I like it fast and hard, so I threw my hips back on him. He got the idea and fucked me so good. From that moment on, we were together."

"I love sucking cock. I'm a fan of receiving oral, but sucking cock actually turns me on more than getting my pussy eaten. I like the taste of precum, and I love feeling a dick grow in my mouth. My favorite move when going down on a guy is to put his cock down my throat while he's soft, then massage his balls until he has a full boner all the way in my throat. I even love it when guys pull it out of my mouth and dick-slap my face."

MELIA
VOL. 32 NO. 1

Go on, let her have it.

"I can cum from just rubbing my clit, but it's hard for me to do it on my own. Toys make it easier, but I'd rather just get fucked. When a guy grabs my hips and absolutely smashes my pussy, that's what makes me cum the easiest."

STANLEY
SINCE 1843

"A lot of guys stare at my breasts when I am working out," Candy wrote in her bio. We don't blame them. Candy has massive boobs, and when they're swaying, like they do in the video of this scene, they're seriously impressive. Candy works out as much as she can. Staying flexible is important if she's going to get fucked and covered in cum in all kinds of wild porn positions. We asked Candy what position works the best to get her off. "I can get off in any position," she said.

"I don't really dress to emphasize my breasts," Candy said. She probably doesn't have to. Those sweater puppies bark for themselves. Candy went on to say, "I don't wear a bra during an average day." We don't know how bra shopping works, let alone in Prague, so we asked Candy whether she needs to order her boulder holders online or at a specialty lingerie shop. "I need to try on the bras before I buy, so I have to go to a local place."

Other than her tits, the next best thing about Candy's performance with our stud is her eye contact. Candy never stops eye-banging Bruno, who happens to be 15 years her junior. Whether he's filling her mouth with cock or fucking her cleavage, she's locked into the action. Squeezing his dick into her tight pussy and fucking her hard makes Candy finally close her eyes and open her mouth in a dreamy state of erotic pleasure.

Watch Candy's titties get coated at

Oh, she's worth it.

We asked Candy what she does to make her man feel special. "Why should I do anything to make a man feel special?" she asked. "Men should make sure they're making me their priority. After all, I think that I'm worth it."

could find. The butter churner position was what we came up with. Things were going well until I realized that I wasn't trusting. I was trying, but my cock was stuck. We had to call 911. Turns out, I accidentally made her pelvic floor muscles seize up, trapping me inside her. I know that because the nice paramedic who answered our 911 call told us. By the way, the solution was to just breathe and relax. I popped right out after she untensed her body.

Just as things heated up, my cat leaped onto the bed and threw up on my partner's hair. We spent the rest of the evening shampooing and apologizing to each other and the cat. The cat was not sorry.

Chocolate sauce sounded romantic until she told me, "Huh, I thought I would have my mouth around a dick that tasted like chocolate. Turns out, it's just making this chocolate taste like dick."

"Go Live" instead of "Record." My aunt sent a thumbs-up emoji. That was by far the most horrifying part of it.

I wanted to sext my boyfriend. Sent it to my mom instead. Now she brings up "safe word" at every family dinner. My boyfriend finds it hilarious. I have changed my phone background to a reminder: CHECK RECIPIENT.

I'm not a very brave lover. I'm fine with keeping things vanilla. But, a girl I dated had a thing for superheroes. This was around the time Marvel was everywhere. I don't have the body of any of those actors, but I wanted to make her happy. We tried roleplay. My superhero costume ripped open at the crotch while I was modeling for her, revealing my SpongeBob boxers. That pretty much killed the mood.

Weight: 108 pounds

Panties: Anything cute
Anal: I’d like to try
BJs: Swallow
Masturbate: At night

Vivi is short and has a tiny waist, but she also has curvy hips and still-growing C-cup boobs. We like to call that look slim-thick, and we can’t get enough of it, especially when it’s a slim-thick teenager. Vivi is going into college, and she’s looking forward to leaving her old school behind. “I hated those stupid uniforms,” she told us.

Vivi made his day.

"I really like showing off my body. In school, everyone dressed the same, and it was impossible to show off cleavage or my butt. One time, I forgot to wear underwear and bent over to pick up some books and flashed a boy I liked."

More of Vivi's flexible posing at

We asked Vivi what she likes to do on dates. “Chinese food or a Kyrgyz restaurant for dinner, then maybe go for a walk in the park, depending on the weather.” How about after the date? “I love giving blowjobs, so probably that. My boyfriend can sometimes cum more than once, so my ideal date would be sucking him off until he cums on my face and then climbing on top of him and riding him deep until he creampies me.”

Lolly

Job: Student
Age: 22
Birthday: March 26
Height: 5'5"
Weight: 110 pounds

Bra Size: 34D
Panties: Thongs
Anal: Depends on my mood
BJs: Spit
Masturbate: Yes

NaughtyMag.com

Lolly is a 22-year-old college student. She's wrapping up her degree in communications and media studies. "I love talking to people and listening to them tell their stories," the Latvian beauty explained. "I'll see if I can make a career out of doing that." Lolly figured she'd like to pose nude before she goes into the real world and loses her nerve. We hear that a lot, and we're sure glad our girls are brave.

Slim and busty, Lolly can sure turn a lot of heads. It wasn't always that way, though. "I was a late bloomer," she explained. "I was stick skinny, and my arms and legs were long and dangly. When my friends started dating and getting asked out, I was pretty sure it would never happen for me. Then, my boobs started to grow, and I started working out and running. My chest ended up bigger than any of my friends', and that's when the boys started noticing me."

"I let my boyfriend shoot some naked pictures of me," Lolly told us after we asked why she was posing for our magazine and website. "But those were kind of silly, fun photos that were meant to be shared with only ourselves. There was one picture where I had his cock in my mouth, he was looking down at me with the camera, and I looked up with my eyes crossed! It's hilarious. But I'm here to shoot sexy pictures, not funny ones."

There are many more pictures of Lolly at

It's nice, we promise.

"My boyfriend asked if he could cum on my face the other day. I've never had a facial before, but I'm curious about what it would feel like. I enjoy it when he finishes on my chest, so maybe it will be like that. I just don't want it to get in my eyes."

hours frantically Googling "escape artist tricks" and watching YouTube videos by dudes in top hats. Ended up with one wrist stuck to the headboard, covered in sweat and regret, while my partner tried to bribe the cat to fetch help. Finally, we gave up and called a locksmith. He was very professional and very amused. And yes, he asked if we needed help with the fuzzy pink ones, too.

You still have the key, right?

One Valentine's Day, while trying to set the mood, I decided to surprise my girl with some rose petals and candles. Everything was going smoothly until I accidentally knocked over a candle while attempting a dramatic "sweep them off their feet" move. We didn't notice anything at first, but the candle ignited the comforter, and we both were like, "Do you smell smoke?" When we saw the fire, it was like a scene from an action movie. We both jumped up, frantically patting out the tiny flame, and ended up half-naked, out of breath, and laughing uncontrollably in the middle of our now scorched sheets. Needless to say, romance

Suki

Seattle,
Washington

Job: Barista
Age: 36
Birthday: February 19
Height: 5’3”
Weight: 129 pounds

Bra Size: 34DD
Panties: Thongs or bikini
Anal: Not for me
BJs: I always swallow
Masturbate: I love my toys

NaughtyMag.com

Suki is an international student and picks up shifts as a bikini barista. If you've never heard of that, it's the best thing to come out of Washington since Microsoft or Nirvana. It's a small drive-through coffee stand where all of the baristas are hot, stacked and clad in all sorts of bikinis and lingerie. Rumor has it that if you tip well, you can have a grab or a flash. They're all over the West Coast and elsewhere. You should check your neighborhood!

Suki is originally from Taiwan, but she immigrated to the US 10 years ago. She went through a breakup about a year ago, and that's when she decided to try modeling. "I've been a dancer for a while. It's not a big jump from that stage to being in front of a camera," she told us. "Plus, I have the body for it. I have a naturally big butt, and I got big boobs when I was dancing because I've always fantasized about having a bimbo body."

Watch how fast and hard Suki fucks her pussy at NaughtyMag.com

She likes to be filled.

"Like most girls, I like tall, outgoing and handsome guys. But sometimes the shy, nerdy guys have big cocks, which I like. I like it when that happens because it's a surprise. I'm a size queen, so the bigger and thicker the dick, the better."

turned into a fire drill, but at least we both got a hot story out of it!

My boyfriend and I were finally enjoying a rare night alone in my apartment. Things were getting steamy, and we were lost in the moment. He was literally fingering me, and I was close to cumming until we both suddenly heard a strange, high-pitched "meow" coming from under the bed. We froze. Another "meow." I don't own a cat, so it was really weird. I peeked under the bed, expecting to see a stray or something, only to find a small Bluetooth speaker taped to the frame. Turns out, my roommate had anticipated our romantic evening and, before leaving, set up the speaker with a playlist of animal noises scheduled to play every couple of minutes. We spent a little while trying to untape the speaker. It was in a weird place, and my roommate used duct tape. We still had sex, but we kept laughing about what happened. To this day, if one of us makes a "meow" sound, we burst out laughing. **NN**

THESE ALL-NATURAL BUSTY SLUTS ARE HUNGRY FOR COCK

Alice

Saint Petersburg, Russia

Job: Personal assistant
Age: 21
Birthday: September 19
Height: 5'6"
Weight: 125 pounds

Bra Size: 32B
Panties: Cotton
Anal: Sometimes
BJs: Swallow
Masturbate: Of course

Alice has two pairs of pretty lips. The ones on her face are full and pink. She's a good kisser, and those lips are one of the reasons. The ones between her legs are petite and smooth. This guy kissed both pairs, and Alice loved every minute of the experience. "I love getting my pussy eaten out. Some guys suck at it, but when a man knows what he's doing, it's heavenly," she told us excitedly.

We last saw Alice in issue ***NN3001***, where she told us that she got her pussy waxed for the first time just so she would look her best for our magazine. It was a sweet thing to do, even though we don't mind a little stubble on our pussies. "Since then, I've gone to have it done more regularly," Alice shared. "It feels so much nicer when I'm completely smooth. I've noticed that guys go down on me a lot more now, too, so that's amazing for me."

The guy fucking Alice is nine years older than she is, which isn't a huge gap when it comes to shooting porn. We asked Alice if she minded banging older men. "Not at all! In fact, I prefer an older man. They generally have a little pocket money, nicer cars, eat at fancier restaurants and treat girls nicer. I hooked up with a guy in his 40s for a little while. We met on an app. He was amazing, but he wanted kids right away, so I bailed on him."

Hear Alice moan
as she cums on this
big cock at

It's an acquired taste.

"I'd always swallow when I gave blowjobs because that's how I thought they always ended. A guy recently told me that he wanted to give me a facial, and I was like, 'So I don't get to taste it?' It made me a little sad. I love swallowing."
